OPTIONAL ELECTRIC WINCH

The Electric Winch Kit (#08989) will eliminate the hand cranking, Warn winch included.

Hitch height is based on standard tires, upgraded tires will change hauling heights. Prices and specifications may change without notice. **Please note:** It is the responsibility of the purchaser to adhere to the brake laws regarding trailers. For full information on the laws in your state, contact the appropriate State Motor Vehicle Department. Brake options will change the overall length of trailer. Brake option is surge drum brakes on all pontoon trailers. Recommended tongue weight 7-10% of GVWR.
