Our easy to assemble and infinitely modular Dock System features paver style textured decking, foam-core floats, and a patented H-Beam Connection System. Simply put: Beautiful Decks, Solid Floats, Easy Assembly, and a Full Line of Functional Accessories & Components.

WAVE DOCK RESIDENTIAL & COMMERCIAL FLOATING DOCK SYSTEM

Wave Dock is a modular floating dock system that revolutionizes the way waterfront home owners and marinas customize their floating dock system. Wave Dock features an esthetically pleasing Pebble Beach textured finish, bringing a rich new look to the industry. Rotationally molded with high impact polyethylene and maximum UV protection, the Wave Dock system is strategically designed for beauty and function.

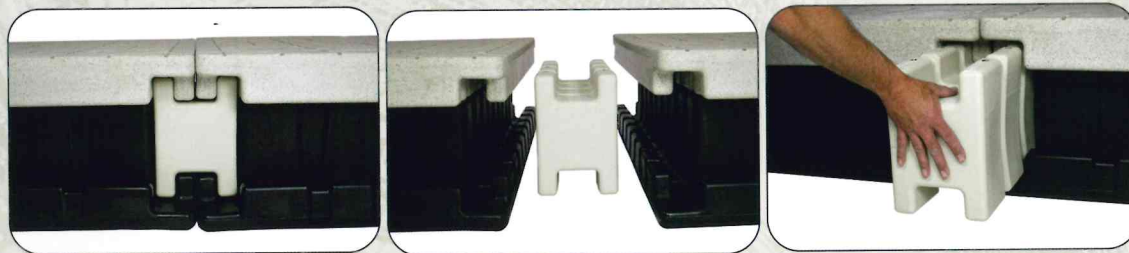

AVAILABLE DECK/FLOAT SECTION SIZES:

- #300446 - 120" L x 60" W x 16" H
- #300445 - 120" L x 40" W x 16" H
- #300444 - 60" L x 30" W x 16" H

A float that sticks to the water. The underside of each Wave Dock deck/float section is engineered with suctioning pockets that dramatically increase stability and keep your deck where you want it...on the water.

H-BEAM CHANNEL LOCK SYSTEM

With our proprietary patent pending H-Beam Channel Lock System, Wave Dock deck/float sections connect to each other quickly and offer a solid connection platform with just the right mix of rigidity and flexibility. H-Beams simply slide into the molded in channels on the sides or ends of each Wave Dock deck/float section allowing you to configure and customize your dock layout. Add our Wave Dock Accessories (see pages 4-7) and you've just created your infinitely modular dream dock!

AVAILABLE H-BEAM KITS:

- #300065 - (24") H-BEAM KIT (Pair) - Connects two 60" x 120" deck sections end-to-end
- #300067 - (50") H-BEAM KIT (Pair) - Connects two 60" x 120" deck section side-to-side (Recommended for permanent, year-round install)
- #300066 - (31") H-BEAM KIT (Single) Connects two 40" x 120" deck sections end-to-end. Can also connect two 60" x 120" deck sections side-to-side. (Recommended for seasonal installs)

#300102 - WAVE DOCK POST COVER

#300012 - DOCK BENCH ATTACHMENT SYSTEM

#300015 - UNIVERSAL DOCK BENCH (See Pages 22-23)

WAVE DOCK ACCESSORIES (Pages 4-7)

We offer a full line of accessories that easily attach to and are specifically designed to integrate with the Wave Dock system.

#300012 - DOCK BENCH ATTACHMENT SYSTEM

Brackets slide into the H-Beam Channels on your Wave Dock deck/float section. Allows secure mounting of our Universal Dock Benches to your Wave Dock system. Provides maximum utilization of valuable deck space by placing the bench over the water and off the deck.

DOCK POST ADAPTER PLUGS

Our oversized adapter plugs allow Wave Dock to easily slide up and down in varying water levels.

#300098 - FOUR INCH ADAPTER PLUG

#300097 - TWO INCH ADAPTER PLUG

#300081 - FOLDING DOCK LADDER

Integrates perfectly with the H-Beam Channels on the Wave Dock deck/float section. Ladder can be placed on either side or end of the section. Folds up and out of the water when not in use. Bottom section of ladder floats.

#300102 - WAVE DOCK POST COVER

An innovative cover for dock posts. Mounts directly to the #300099 Dock Post Attachment Kit (sold separately)

#300099 - DOCK POST ATTACHMENT KIT

A functional and stylish way to incorporate dock posts into your Wave Dock. Attachment kit slides easily into the H-Beam Channel on your Wave Dock deck/float section and secures to the float channel utilizing the integrated mounting inserts. Includes one kit.

WAVE DOCK ACCESSORIES (Continued...Pages 4-7)

#300051 - CORNER DECK SECTION (30")

Creates a sleek look while adding to the walkable surface area of your Wave Dock system. Spans 30" across the inside corners of the Wave Dock deck/float sections utilizing the H-Beam Channels.

COMMERCIAL DECK CLEATS

Tie it on with our Commercial Deck Cleats. Cleats mount directly into integrated mounting inserts on both ends & sides of Wave Armor deck/float sections.

#300469 - EIGHT-INCH CLEAT (Qty. 2)

#300470 - TEN-INCH CLEAT (Qty. 2)

#300062 - DECORATIVE SIDE PANEL (60")

Panel slides directly into the H-Beam Channel on your Wave Dock deck/float section. Creates a flush surface and an overall "finished" look to your Wave Dock.

#200695 - DECORATIVE SNAP-IN PLUGS

Specially designed poly plugs match the Wave Dock surface and easily snap into place for a clean, finished look. Includes 20 Plugs.

#300055 - DOCK RAMP (7 FT.)

This tapered and hinged ramp kit spans 7 feet from the end of your dock and creates a flush walking surface from your beach or shoreline to the dock.

WAVE DOCK ACCESSORIES (Continued...Pages 4-7)

#300106 - PYLON HOOP ATTACHMENT KIT (Qty. 1)

Attaches the Wave Dock to a 10" Pylon.
Secures the Wave Dock in rough waters.

WAVE DOCK BUMPERS

Bumpers secure directly into the Wave Dock H-Beam Channels. Constructed of soft touch custom poly-vinyl for an attractive and protective barrier between your dock system and watercraft.

#300069 - HORIZONTAL WAVE DOCK BUMPER

#300120 - VERTICAL WAVE DOCK BUMPER

#300002 - ANCHOR PIN MOORING KIT

Provides a secure attachment point
for submersive anchor chain.

#300485 - ANCHOR CAP MOORING KIT

Provides a secure attachment point
for submersive anchor cable.

#300107 - WAVE DOCK KAYAK RACK

A sturdy and stylish way to store your kayaks near the water where you use them! Attaches to you Wave Dock deck/float sections utilizing the H-Beam Channel. Stores two kayaks and features molded-in bungee hook receivers.
