

Okay, you store your boat in the garage and take it to the lake six times a year. Your neighbor parks his in his back yard and takes it to the river almost every weekend.

Different users have different needs and that's why ShoreLand'r offers a complete line of Genuine ShoreLand'r Accessories. Everything you need to make your trailer fit your lifestyle.

Load Guides

Make it easier to center the boat on the trailer during loading. These are particularly helpful if you do a lot of launching or loading in windy conditions or river currents. Choose from horizontal bunk or vertical post load guides.

Spare Tire & Spare Tire Bracket

Don't let a rusty nail or piece of glass ruin your family vacation. Be prepared with a dependable spare that meets the same specs as your original tire. Free-up space in your tow vehicle by carrying your spare on the trailer frame, with a spare tire bracket.

Swing Tongue

Trying to squeeze your trailer in a small garage and it just won't fit? This hinged tongue swings out of the way, allowing storage in tight quarters.

Service Kits

Replacement Decals, Touch-up Paint and a whole lot more. Everything you need to keep your trailer looking like new.

Tongue Jack

Save your back! This handy swivel jack attaches to the tongue, making the trailer much easier to hitch and move around.

Retractable Tie Downs & Transom Savers

Be sure your boat is safe and protected while you're hauling it down the road. Retractable Tie Downs quickly and easily secure your boat to the trailer. A Transom Saver will give your outboard motor the extra support it needs.
