One-Touch Auto-Up Operation with Side-to-Side Synchronized Power Drives	Yes	No
Convenient Wireless Remote & Dockside Switch	Yes	No
15 year Stainless Steel Cable Warranty	Yes	No
All Aluminum & Stainless Steel Structural Components	Yes	No

We at ShoreStation are dedicated to making your weekends on the water relaxing, so we have developed the most reliable boat house lift system on the market!

Wireless Remote - Raise and lower your ShoreStation FlexPower® hydraulic lift with this water resistant multi-functional remote. Programming and operation all in one unit! Comes standard with 2 remote transmitters.

- 1 Fast, Effortless Lift** - You may have to see it to believe it! ShoreStation Boat House Lifts raise and lower your boat 4 to 5 times faster than the conventional "gear plate" systems, making loading and lifting in wind and waves a breeze!
- 2 Unique Tandem Hydraulic Design** - A single tandem hydraulic pump delivers equal volume to both cylinders. The result is synchronized lifting that automatically keeps the lift platform level with the push of a single button. For even more convenience use our Auto-Up feature to raise the boat to a preset height.
- 3 Powerful FlexPower® Hydraulic system** - Safe, reliable, powerful, DC operating system. Complete with a Battery Tender® to automatically recharge and maintain the batteries - Now that's Convenient! Or choose the optional solar panel to totally eliminate the need for AC power on your dock. Power when you need it! No more worrying about low voltage AC power supplies!
- 4 Minimum Maintenance** - ShoreStation will protect your boat for years to come with its low maintenance aluminum construction, stainless steel cables, stainless steel & brass fasteners, and self-lubricating Garmax bushings. In addition when in the up position there are no moving parts left in the water minimizing corrosion.
- 5 15 Year Cable Warranty** - Our lifts are backed by the best warranty in the industry! Our unique design never winds the cables on a pipe significantly increasing cable life. Yearly cable maintenance is a thing of the past!
- 6 Safety First** - ShoreStation doesn't take any chances. The FlexPower® Hydraulic power system eliminates any concerns about electrical safety while the biodegradable hydraulic fluid is non-toxic*, protecting your family and aquatic life!

SPECIFICATIONS	SSBH408HS	SSBH608HS	SSBH8010HS
