ATV TRAILERS

Constructed of 100% puncture-resistant polyethylene, **Otter "X" Trailers** feature **Tilt-N-Swivel Side & Rear Dumping**, and are designed with **Power-Rail Technology** (the extruded aluminum rail is molded right into the trailer body, creating one super-strong frame assembly). These trailers are designed for consistent, heavy-duty use in all seasons, for a multitude of uses such as fishing, hunting, farm & ranch work, landscaping and more. These trailers tow smoothly behind any ATV, garden tractor or small utility vehicle!
