

ShoreStation®

NEW DC Hydraulic Boat Lifts

Re-charge the lift battery with the Battery Tender® (included)

**WIRELESS REMOTE
HA0009**

Raise and lower your ShoreStation lift with this handy remote transmitter.

Power. Redesigned.

The new ShoreStation Hydraulic DC Boat Lifts, featuring a new faster DC power unit and offers a built in AC re-charging system with the Battery Tender®. These lifts are also loaded with great ShoreStation features, including:

- **FAST. FASTER. FASTEST.**
the new DC hydraulic lifts tout the fastest lift speed of all our hoists that get you on and off the water in a jiffy.
- **POWER AT YOUR FINGERTIPS**
state-of-the-art electronic control system offers the ultimate in push-button convenience. Comes standard with 2 remote transmitters, or use the convenient touch-pad controls.
- **MAX PROTECTION**
keep your boat safer from the elements with our new external limit switch. It easily adjusts the maximum lift height to give you more coverage when you need it.
- **A BRIGHT IDEA**
run your ShoreStation lift on clean, free solar power! This optional speedy 20 watt charger (HA0060) recharges your battery much faster than the ordinary 10 watt models. A solar regulator prevents battery drain and protects battery from damage caused by overcharging.

ShoreStation® NEW DC Hydraulic Boat Lifts
