RAPTOR-5000-79-14-2

14' x 79" Deck, Wishbone NON-Tilt Tongue, Hybrid Frame Technology, 5/8" Plywood Floor, Aluminum Roll out Split ramps, Side Load ATV or Rear Load UTV/RTV, SxS

Optional Features

Hybrid Frame Technology

All Raptors use a Hybrid frame, Aluminum outer shell with a Galvanized base frame structure. The base frame uses a full length axle runner with recessed cross members for better floor support.

Brake Kits

Add brake kit, Single Axle Brakes(Available only on models with 13" or 14" Tires)

Add Brake Kit, Tandem Axle Brakes(Available only on models with 13" or 14" Tires)

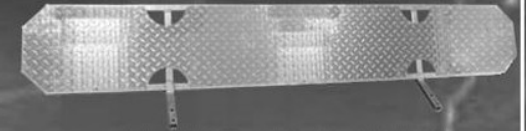

Spare Tire Carrier

Aluminum Tires

Wheels 10", 13" or 14"

Front Stop with Rock Shield

The Rock shield has cut outs to allow for strapping to the front stop bracket.

Front Stop

The Front Stop is easily mounted to the front a-brace tube. There are holes in all the front a-braces for easy mounting.

RAPTOR-5000-79-17-2

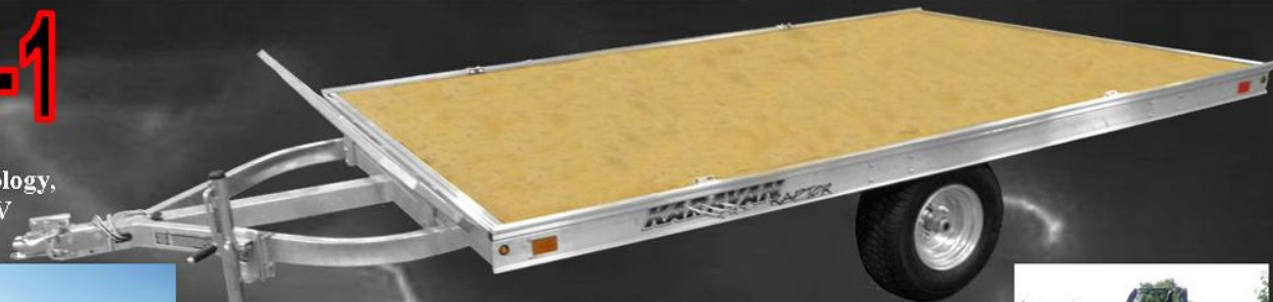

17' x 79" Deck, Wishbone NON-Tilt Tongue, Hybrid Frame Technology, 5/8" Plywood Floor, Aluminum Roll out Split ramps, Side Load ATV or Rear Load UTV/RTV, SxS

***Trailers are shown with optional features**

RAPTOR-2990-79-10-1

10' x 79" Deck, Wishbone NON-Tilt Tongue, Hybrid Frame Technology, 5/8" Plywood Floor, Aluminum Roll out Split ramps, Side Load ATV or Rear Load UTV/RTV, SxS

Standard Features

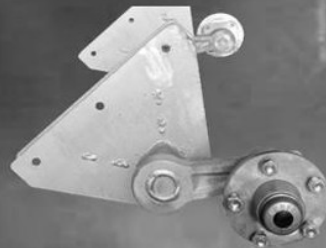

Tie Down Bracket
Standard with 4pcs-10', 6pcs-14' and 8pcs-17'. Tie down bracket can be positioned anywhere along the side. Extra tie downs can be added.

LED Grounded Compact Lighting
All lighting is fully grounded plug in harnesses and grommet style lights. All corner clearance lights are 3/4" lights to minimize the amount of structural material removed.

Full Length Tie Down Channel
The tie down channels run down both sides of the trailer. The tie down brackets can be moved into any position along the side.

Torsion Axle
3750# Torsion axle, Galvanized Axle Body, Arm, and Hubs, Sure Lube Hubs

Lockable Ramps

Roller Guided Ramps
All Raptor ATV trailers come with an aluminum roll out split ramp that is lockable.

Safety Cables
Coated, Self Coiling
